TENNESSEE DERBY

But Three Horses Start in Great Event.

WINNER PULLED ALL THE WAY TO MAKE CLOSE FINISH.

Memphis, April 4.—The Tennessee Derby was run today at Montgomery park before a record-breaking attendance, but there was not a spark of enthusiasm, the result being a foregone conclusion, and the only points of speculation being the distance the third horse would finish from the leaders and the time for the mile and an eighth. The entries had divided for four last night, and although there was some talk of a draw, the added starters, it did not materialize, and of the four declared starters, only three were scratched immediately before the race.

The starters were Proceeds and Conjur, from Captain S. S. Brown's stable, and Samur, from the string of E. Corrigan. The latter was the first to start, and the horses got off with Proceeds leading, Conjur second, and Samur third. The race was a close one until the finish, and the winner, Proceeds, made no mistake in drawing away from the others. Proceeds was under strong restraint the entire route, and the time, 1:52 1/2, was not a record, but an average of selling races at the same distance during the meeting. The race had a net value to the winner of \$200,000.

First race, mile and seventy yards—Landon, second, Spencerian second, Randolph, third, Time—1:48 1/2. Second race, four and a half furlongs—One Way, Tom Shelly second, V. Dallas third, Time—0:56 1/2. Third race, mile—Conjur, second, Dan McKenna third, Time—1:42 1/2. Fourth race, Tennessee Derby, one and one-eighth miles—Proceeds, second, Samur third, Time—2:00 1/2. Fifth race, mile and seventy yards—Landon, second, Spencerian second, Randolph, third, Time—1:48 1/2. Sixth race, six furlongs—Skiff, second, Chief Deputy second, Redman third, Time—1:52 1/2. Seventh race, mile and seventy yards—Midshipman, second, Falklands second, M. S. third, Time—1:48 1/2.
